

CT3 series covers all your calling needs.

Introducing our brand new range of corded telephones, the Motorola CT3 series. From entry level to professional features we cover all your calling needs.

Ecomoto is a convergence of efforts by marketing, design, research, engineering, and supply chain management that lead to better products for everyone. It is a holistic view that focuses on both social and environmental responsibility. It is both a passion and a shared point of view.

The right thing to do.

- Meets and / or exceeds EMEA environmental regulatory requirements.
- Eco friendly packaging with a minimum 20% post consumer recycled content.
- Phone housing is built with a minimum of 25% post consumer recycled content plastic.
- Energy efficient charger that meets EU Code of Conduct requirements.
- ECO mode function which reduces the transmitted power and energy consumption.
